*But not only does this country show off with its world record holding attractions of the modern age, it can also present itself from another side – a historical and trendsetting one. Strolling through the Gold Souk in Deira, visiting the fish market in Abu Dhabi, getting into the Art Scene in Al Quoz Dubai and even pampering yourself with a luxurious dinner at the Emirates Palace can be considered a real authentic Arabian experience.*

# MEETING POINT ASIA/THAILAND

*Thailand is reflecting images of white sand beaches, cerulean waters, peaceful temples and lush mountain jungles. In Bangkok, a 21st-century playground, the scent of spicy street food fills the air and the Grand Palace recalls the country's traditions. Outside the capital, the wonders of the countryside enchant, whether you are exploring Ayutthaya's splendid ruins or diving in the waters of the idyllic southern coast. This is the "land of smiles".*
